

# CHRISTINE STEDMAN

Drawing material from married life and family; like a twenty-something son who lives at home and a divorced daughter and three grand-kids, Christine has a full portfolio of material to draw from. Headlining the top clubs in the country, Christine has become a favorite at *The Comedy Stop*, in **Las Vegas** and **Atlantic City**.

She was chosen to compete in **Nick at Nite's Search for the Funniest Mom in America**. She appeared in six episodes and made it all the way to the finale. Ok, she didn't win – but just ask anyone who has seen her perform and they will

# EX-COP MIKE ARMSTRONG

The Cop-Turned-Comedian has the right to remain silly. Mike is fabulously funny, works clean and just a fun guy all around - his laugh is so contagious, he doesn't even have to tell jokes - if he just stood up there and laughed the whole audience would laugh with him and not even notice he wasn't telling jokes. You will love this guy. He is hilarious!
